How to raise a concern or make a complaint about Healthwatch West Berkshire

- 1) In the first instance we would encourage you to raise a concern, or complaint, or to provide feedback on our service informally. Providing information or correcting misunderstandings or misconceptions at this early stage may enable the issue to be successfully resolved.
- 2) If the concern or complaint is not resolved to your satisfaction, then you should notify us via email, letter or via a telephone conversation with a member of staff or a volunteer.
- 3) Healthwatch West Berkshire will acknowledge the concern/complaint in writing (or in the complainants preferred method of communication) within 3 working days.
- 4) Attempts to resolve the concern/complaint will be completed within 15 working days of establishing the nature of the concern/complaint. Exceptionally, if further time is needed, where possible this will be agreed with you.
- 5) The Chief Officer of Healthwatch West Berkshire will review all concerns/complaints. If you are not happy with the outcome you will be able to appeal. The concern/complaint will then be reviewed by Healthwatch West Berkshire Board members who have not previously been involved in the matter. Once the appeal process has been completed the concern/complaint will be closed.
- 6) If you are still not satisfied you can take your concern/complaint to West Berkshire Council. You may also subsequently take your concern/complaint to the Local Government Ombudsman.
