Volunteers: Complaints Policy

1. Purpose

Individuals and organisations have the right to express their views about the performance of Healthwatch West Berkshire (HWWB) and the way in which it conducts its business. Anyone who is dissatisfied with any aspects of the service received by Healthwatch West Berkshire can make a complaint under this policy. We will treat both concerns and complaints in the same way.

This Policy does not cover:

- Complaints or concerns about the NHS, which should be dealt with through the NHS complaints procedure.
- Complaints about the provision of social care services which should be dealt with by West Berkshire Council complaints procedure

2. Definition of a complaint

- any expression of dissatisfaction regarding any aspect of the service or activities of the Healthwatch should be regarded as a complaint
- a complaint does not have to be written, it may be made in person, over the phone or by e-mail

3. Volunteers

- in the course of their volunteering roles, volunteers should not be expected to deal with either informal or formal complaints. If a service user (an individual or a group) speaks to a volunteer with a comment or complaint **about the service received or the activities of HWWB** the volunteer should direct them to the HWWB staff team
- volunteers should acknowledge the complaint or concern and take it seriously, but recognise that responsibility for dealing with complaints lies with members of staff

4. HWWB - Concerns/Complaints procedure

For your information we have included below the HWWB procedure for dealing with concerns and complaints

- in the first instance we encourage anyone with a concern, or complaint, or to provide feedback on our service to do so informally. Providing information

or correcting misunderstandings or misconceptions at this early stage may enable the issue to be successfully resolved.

- if the concern or complaint is not resolved, then:
 - HWWB should be notified via email, letter or via a telephone conversation with a member of staff.
 - HWWB will acknowledge the concern/complaint in writing (or in the complainants preferred method of communication) within 3 working days.
 - Attempts to resolve the concern/complaint will be completed within 15 working days of establishing the nature of the concern/complaint. Exceptionally, if further time is needed, where possible this will be agreed with the complainant
 - The Chief Officer of HWWB will review all concerns/complaints.
 - If complainants are not happy with the outcome they will be able to appeal to board members, seAp directors not associated with HWWB.
 - The concern/complaint will then be reviewed by HWWB Board members who have not previously been involved in the matter.
 - Once the appeal process has been completed the concern/complaint will be closed.
