Volunteers - Environmental Policy

1. Environmental Statement

HWWB believes that organisations are responsible for achieving good environmental practice and operating in a sustainable manner. We recognise that our activities have an impact on the environment in terms of the use of raw materials, emissions to air and water and waste generation, and seek to minimise this as far as is reasonably practicable.

2. Environmental Commitments

HWWB is committed to:

- compliance with all environmental legislation, regulations and codes of practice relevant to the sector in which it operates
- continual improvement in its environmental performance
- preventing pollution

3. Environmental Objectives

It is HWWB policy to:

- make efficient use of natural resources by conserving energy and water, minimising waste and recycling where possible
- meet its duty of care requirements in relation to waste by compliance with SeAp's (responsible body) directions as to safe keeping of waste and waste disposal
- use recycled materials wherever these can be commercially justified
- keep transport use to a minimum
- chose suppliers who are able to demonstrate they recognise and reduce the environmental impact of their products and transportation

4. Policy Implementation and monitoring

- the HWWB board mandates Andrew Sharp, Chief Officer to take executive responsibility for taking forward and implementing this policy.
- Jo Karasinski, Development Officer, is responsible for ensuring volunteer awareness of environmental issues and compliance.
- this policy will form part of the induction process for new volunteers and training updates will be given when required on changes to legislation
- HWWB will review this policy on an annual basis, taking account of any changes within legislation, our organisation and other factors.
- HWWB will make this policy available when requested to do so to interested parties including members of the public.
