Clap for our carers

Tonight at 8pm

We were saddened to hear about the death of Dr Peter Tun , a man who was a dedicated associate specialist in neurorehabilitation at The Royal Berkshire Hospital. He was an approachable person who treated everyone as equals, he will be sadly missed by everyone. The team at Healthwatch West Berkshire send our condolences to the family , friends and his colleagues at this sad time.

tell us...

We are still here to listen, to guide you and answer your questions about Health & Social Care in West Berkshire

We want to hear about your experiences, your frustrations & what makes you anxious, what makes you smile about Health & Social care during the Covid 19 pandemic, tell us, so we can tell the people running the services
